

Children's Parties at Spitalfields City Farm

Children's parties can be booked in all of our spaces, but the Safari Tent is usually the most popular depending on the size of the party. Children also have easy access to the tree house and play area behind the Safari Tent.

Timings:

Spaces can be hired for any length of time from 10am until 4pm. The usual amount of time for a party is usually 2 to 3 hours.

It is important to note though that the total period of hire must reflect all set up and packing down and cleaning up.

Any income from birthday parties makes an important contribution to the upkeep of the Farm site, looking after our animals and contributing to our education programmes, as well as keeping the Farm free to visit all year round.

Additional activities:

We do offer a 30-minute animal encounter for up to 15 children. The cost is £45 for 30 minutes.

This is an interactive guided tour of the paddocks led by one of the farmers. Participants have the opportunity to learn fun facts and anecdotes about our animals, as well as feeding them.

How do I book?:

All bookings are made through sharesy – an online booking system for community venues and spaces.

The site includes all up-to-date information on availability.

Full payment will need to be taken upon booking to secure the use of the space.

Cancellation Policy:

A full refund will be given for space hires cancelled 14 days or more in advance. Events cancelled with less than 14 days notice are non-refundable, except in exceptional circumstances.
